Riley Motor Club London to Edinburgh Run 2020

Dear Potential Entrant,

Thank you for your inquiry regarding the above to be run May 19th – 21st 2020.

Enclosed together with an application form are details of: - hotels chosen and rates negotiated, a menu for the Anniversary Dinner at the Peebles Hydro on May 21st and a return slip for your choices. It would assist all concerned if you would complete and return the documents either by post or e-mail as soon as possible, to the contact details below.

We would like to take this opportunity to remind people that you may join the event at any stage along the route. However, in order that we can keep track of cars and their occupants, would ask that you advise us as to where that might be.

Confirmation of your acceptance for the event will follow, once payment has been made by one of the methods outlined in the enclosed documentation.

There has been an exceptional response to our initial publication of the event, so it would be wise to return the completed entry form a.s.a.p. Should the event be oversubscribed, a waiting list will be generated, with people offered places as they become available, through any cancellations.

Once again, we thank you for your interest and the Committee of The Riley Motor Club look forward to welcoming you to the event.

Yours sincerely,

Tim Booth

This is a large hotel and while they are holding 25 rooms for us, there should be ample rooms available should there be any last minute entries. As always, there will be an anniversary dinner to bring the event to a conclusion. The cost of this will be £38.50 per person, and payment should be forwarded to the Riley Motor Club with the entry form. Cheque, card or bank transfers are all acceptable.

Dinner for Yes/No

Please book your accommodation directly with each hotel, quoting the booking code in order to enjoy the rates specified. Any room upgrades are entirely the responsibility of the individual booking. Special room or dietary requirements should be made known to the hotels at the time of booking. When booking, please make sure you understand each hotel’s cancellation policy, as they may differ. This will avoid any unpleasantries should a car not make it to one of the pre-booked destinations. We suggest you delay bookings of the hotels until you have received confirmation of your booking.
